CORPORATE MATCHING GIFTS

Many companies match donations made by employees, their families and retirees. Please ask your HR office about your company's matching process.

GIFT OF SECURITIES

Often, long-term appreciated assets provide a charitable deduction for the full market value of the security. Such donations also allow the donor to avoid capital gains tax. If you have questions or would like to make a gift of securities, contact the SEG Foundation. Please **do not** mail stock certificates with your pledge card.

ESTATE AND PLANNED GIFTS

Making a planned gift through your estate is a great way to establish your legacy and celebrate the science and industry that contributed to your success. Planned gifts can provide income and tax benefits to you and your family. Please contact the SEG Foundation for more information.
