

Hurts associated with Geophysical Field Camps*

SEG experience is generally similar to other field programs in geology and geography despite low SEG numbers

• ***n = 3,367 hurts (>1.2 million work-hours)***

• ***n = 28 hurts (VERY small sample size...)***

***ExxonMobil field activities, published Outdoor Education programs (NOLS, Cornell, American Museum of Natural History, RGS, Youth Expeditions)*

** according to 2021 SEG Field Camp HSSE reports*
