

# SEG Conference Papers Plus

## SUBSCRIBE TODAY and Complete Your Collection!

SEG Conference Papers Plus provides institutions with access to the Society's journals the opportunity to complete their collection of SEG-provided applied-geophysics literature. This package includes access to the SEG Expanded Abstracts, Global Meeting Abstracts, and the EEGS Research Collection at a discount of more than 30% off the price of these publication subscriptions.

## SEG Abstracts

### SEG Expanded Abstracts

Papers presented at each SEG Annual Meeting and IMAGE since 1982. Most are four pages long and include figures, linked references and, in recent years, associated PowerPoint and PDF presentation files.

25,198 papers; 40-year archive

### Global Meeting Abstracts

Papers presented at SEG global meetings and conferences, and events of SEG-affiliated societies. Most of these abstracts are four pages long and include figures.

11,215 papers; 17-year archive

## EEGS Research Collection

### SAGEEP Symposium on the Application of Geophysics to Engineering and Environmental Problems

An annual five-day event held by the Environmental and Engineering Geophysical Society, SAGEEP is internationally recognized as the leading conference focused on the practical application of near-surface geophysics.

3,951 papers; 34-year archive

### JEEG Journal of Environmental and Engineering Geophysics

A journal published by EEGS focused on practical applications of near-surface geophysics.

805 papers; 27-year archive

Paper counts through June 2022
