

HOW TO REDEEM DLI PROMO CODES

Step 1: Choose 1 online, self-paced course to take at no cost at www.nvidia.com/dli.

Step 2: Once you've selected your training, click "Get Started." On the next page, click "Enroll Now."

Step 3: Create an NVIDIA Developer account. If you already have an account, log in.

Here's how to create an account:

- Click "Create an account."
- On the next page, click "Create account."
- On the next page, enter your details and accept the terms & conditions. Then click the "Create Account" button.
- On the Grant Permission page, select your privacy settings.
- On the next page, you'll be asked to check your email for a verification link. Click the link in your email.
- Return to the original page, which is now the NVIDIA Developer Sign Up (may take a moment to load.) Submit your information.
- On the next page, enter your Public Username and click "Create Account" button.

Step 4: Enter your promo code on the Cart and Billing Info page.

Here's how:

- Click "Enter Promo Code" below the item in your cart. Enter the code and click "Apply."
- Enter your Billing Address.
- **Payment information is not required.** Please skip this section and click "Continue."
- On the next page, click "Submit."
- On the next page, click "Proceed to Courses."

Step 5: Enjoy your complimentary self-paced, online training.

If you have issues redeeming your DLI promo code, please email us at NVDLI@nvidia.com.
