
OVERVIEW

The workshop aims to empower participants with the knowledge and tools needed to bridge the gap between these two crucial aspects of the oil and gas industry, fostering collaboration and knowledge exchange among professionals, geoscientists, and engineers. It will provide a platform for open and extended discussions on current practices, future development and advancements in Seismic Petrophysics.

OBJECTIVES

The objective of this workshop is to promote the importance of Seismic Petrophysics among the geoscience community. It will provide a platform for open and extended discussions on current practices, future development and advancements in Seismic Petrophysics.

ABSTRACT TOPICS:

- Advancements in Acoustics Technology and Applications
- Petrophysical Modeling Techniques
- Data Conditioning & Feasibility
- Rock Physics and Advanced Quantitative Analysis
- Integrated studies
- Digital Transformation
- Role of Seismic Petrophysics in Energy Transition

ABSTRACT FORMAT

Max 2 page abstract + 1 figure, single column

Abstracts should include sufficient details for the committee to judge the quality of the submitted work. Abstracts should be a minimum of 1 page, text plus 1 figure, with a maximum of 2 pages. Abstracts should be on 8.5 x 11 inch paper size, text in Roman font, and include both text and figures. Title should be one or two lines, at the top of the page, in bold font, and size 12 point. Authors should be listed in Roman italic font, size 10 point, and located just below the title. All text must stay 1 inch clear of the margins of the page. Submissions should be in Adobe Acrobat PDF format.

Dr. Mr. Ms.

SEG ID# (if currently a member) _____

Full Name _____ Job Title: _____

Company/Organization _____

Mailing Address _____

City & State _____

ZIP/Postal Code _____

Country _____

Address listed: Business Home

Business Phone _____ Email: _____

Are you a student? Yes No

Subject _____ Presentation Type: Oral Poster Both

NOTE: The mechanical recording of any portion of the SEG workshop in any form (photographic, electronic, etc.) is strictly prohibited. Printed reference to the workshop presentations or discussions is not permitted without the consent of the parties involved. All participants are requested to omit public reference to the workshop proceedings in any published work or oral presentation. Only registrants are permitted to attend workshop sessions. In the event the presentation incorporates copyrighted material of others, the presenter warrants that all required permissions or releases have been secured. The presenter agrees to indemnify, defend, and hold SEG, its directors, officers, employees, and agents harmless against any claims to the contrary.

Each participant agrees to these regulations when application is accepted, as indicated by his or her signature on this form.

Signature: _____ Date: _____

Please email abstract and call for abstracts form by **14 June 2024** to **Priya Singh at psingh@seg.org**
