Invitation to Attend the SEG Critical Minerals Forum 2026 – Vancouver, Canada

Dear Visa Officer,

This letter is to formally invite

at

to attend the SEG Critical Minerals Forum 2026, organized by the Society of Exploration Geophysicists (SEG).

The Forum will take place from 27–29 October 2026, at the Robert H. Lee Alumni Center, The University of British Columbia, Vancouver, British Columbia, Canada.

The SEG Critical Minerals Forum is the first event of its kind organized by the SEG Mining and Mineral Exploration Committee. The objective is to explore critical mineral systems and occurrences through geophysical and geological methodologies, focusing on advanced imaging, integration, and evaluation techniques that can be applied to map and assess critical mineral resources.

The event will gather researchers, exploration professionals, and industry leaders from around the world to share knowledge and experience in the fields of geophysics, geology, geochemistry, ore deposits, and mineral exploration technologies.
