

SEG Foundation Trustee Associates

Advancing Applied Geophysics Through Philanthropy

"Trustee Associates represent the financial backbone of the SEG Foundation, allowing SEG to create new programs and support existing programs."

WHAT IS AN SEG FOUNDATION TRUSTEE ASSOCIATE

An SEG Foundation Trustee Associate is a Society member who contributes \$10,000 USD or more (over 5 years) to the annual fund, or \$25,000 or more to SEG programs. SEG Foundation Trustee Associates are an elite group of contributors who have demonstrated a strong shared commitment to the current and future vitality of the Foundation and the Society, and its positive impact on the science, our members, and the world.

WE EXIST TO BRING VALUE TO OUR COMMUNITIES.

We are committed to:

- **ADVANCE** the science of applied geophysics
- **SUPPORT** our member scientists and **EXPAND** their opportunities
- **GROW** our collective positive global impact

Trustee Associates are at the core of it all.

To achieve this three-part mission, SEG benefits from the dedicated and exceptional volunteer leadership of its members, the talent and commitment of its professional staff and the generous donations provided by Trustee Associates, SEG friends and corporate partners.

HOW TO BECOME A TRUSTEE ASSOCIATE:

A donor wishing to become an SEG Foundation Trustee Associate has a couple options. The simplest option is to make a gift of \$10,000 (over 5 years) to the SEG Foundation's annual fund. The other way to become a Trustee Associate is to contribute an accumulative minimum of \$25,000 to any combination of support to programs and the annual fund.

Payment options include:

- Online Payments: <https://foundation.seg.org/forms/17>
- Checks payable to the "SEG Foundation" and mailed to the address below:

Society of Exploration Geophysicists
10300 Town Park Dr., Suite S115
Houston, TX 77072

- Wire transfers as follows:

EIN: 73-1329755

Account #: 624543 394

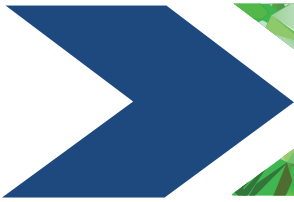

Bank: Commerce Bank

Routing #: 1-01 000 019

Name on Account: SEG Foundation

You may choose to make a \$10,000 pledge with a minimum of \$2,000 annually over 5 years by emailing your commitment; or make a \$25,000 pledge in support of any program, in payments at a minimum of \$5000 annually and not to exceed 5 years.

SEG recognizes that many exceptionally committed and generous members go above and beyond to support SEG, and we have created giving level minimums to recognize these members:

A TIME TO LEAD

GEOSCIENCE AT AN INFLECTION POINT

Our science and its contributions to our communities have been dynamically evolving for the past few decades, but never quite as fast or as significantly as has been the case in the very recent history. We are witnessing -- and often driving -- fundamental and irrevocable global changes in energy transformation. SEG programs provide support to help our fellow professionals understand and adapt to this shifting landscape and reshape their career trajectories.

The next generation of geophysicists will inherit much of this great responsibility, and SEG and the SEG Foundation, with the support of Trustee Associates, corporate partners and members, are working to ensure that we continue to recruit the best and brightest to the field of applied geophysics.
